

IN APPRECIATION

On behalf of The Calgary Senior High School Athletic Association, I would like to congratulate all of the athletes and coaches earning the right to represent their schools in the game today. As in all aspects of life, hard work, dedication, and an enormous amount of support and guidance from others are necessary components in becoming a successful student athlete. With over 12,000 high school athletes representing the 34 Public and Separate Senior High Schools in our city, we are one of the largest and most successful athletic associations in North America. Thank you to the many volunteer coaches that commit endless hours to ensure that students in Calgary will have an opportunity to participate in an educationally sound athletic program. The co-operation between the coaches, officials, and administrators are the reason that the CSHSAA is celebrating over 100 years of success. Thank you to everyone involved in high school athletics.

The CSHSAA Soccer league is successful because of the tremendous leadership from the sport chairpersons. The Chairpersons for Boys Soccer this year are Celeste Bazinet from Notre Dame High School and Gus Giannoutsos from Sir Winston Churchill High School.

Thanks go to Kicks Soccer Store for supplying the game jerseys.
